### **4.CLUB & PLAYER REGISTRATION**

#### **4.1.Football**

##### **4.1.1.General**

- I.The understanding of the registration process of players is vital for clubs when considering the promotion of juniors to senior football during the home and away season or for the selection of juniors in senior finals football.
- II.Before finalising a player’s registration, clubs must sight the player’s original birth certificate and upload it to the players profile online. In cases where a birth certificate cannot be obtained, the club must contact the League to seek approval to use another process to confirm a player’s age. The League may request to sight the original copy of a player’s birth certificate and/or other age-related documentation at their discretion.
- III.For Senior Clubs that provide a pathway (sponsor) to senior football for a standalone Junior Affiliated club, they must provide the NFL with a Memorandum of Understanding signed by the Presidents of both Clubs in order to have junior footballers from that Junior Affiliated Club eligible to play senior football with the sponsoring Senior Club. To play senior football with the sponsoring club, a Match Day Permit is still required to be completed online at the NFL website. Clubs should consider the impact of players playing out of their age groups in regards to the individual player’s qualification for finals appearances.

- IV.No person may play in any matches authorised or conducted by the League, other than practice matches, unless that person has registered with an NFL Club with player details recorded on the online Competition Management System.
- V.Any player registered with the League and permitted to play with an Affiliated Club who wishes to play with another Affiliated Club must apply to the League for a transfer within the League in accordance with the AFL National Transfer Regulations.

#### **4.1.2.Playing Out Of Age Group/Grade**

- I.All players in the under-9 to under-18 football age groups (inclusive) may play out of their registered age group/grade. However:
  - a. No player may play more than two years (age groups) above his/her registered age group.
  - b. Where a club fields more than one team in the same competitive age group up to under-18, a player is permitted to move between teams during the home and away matches, but once they have played five (5) matches in the higher graded competition team they may not move to the lower graded team for the remainder of the season.
  - c. Permits are required for movement between teams in the same grade to be lodged as per Schedule 19.
  - d. Refer to finals eligibility for clarification of movement between age groups/grades and teams for finals participation.

#### **4.1.3.Player Age Group – Football**

- I.A player must be at least 7 years old as at April 30 in each year to be eligible to be registered with an NFL affiliated club.
- II.A player's age group shall be based on a player's age as at January 1 in each year.

- III.Football competitions that extend the age of a competition must adhere to January 1 as the age determination date, e.g. for an U/19 ½ competition in 2017, the age shall be extended back to July 1, 2016, thus allowing the player to be 19 ½ on January 1, 2017.
- IV.Any request for a player to play down an age group must meet the criteria set out in Schedule 34 – NFNL Medical Overage Exemption Policy with exception to by-law 4.1.3.V**
- V.Any request for a player to play down in Under-19s or Under-18s must meet the criteria set out in Schedule 35 – NFNL U18-U19 Development Player Policy**
