**NORTHERN FOOTBALL NETBALL LEAGUE INCORPORATED**  
**MEDIA POLICY**

**1. INTRODUCTION**

The media provides an important platform for the Northern Football Netball League to promote its achievements. To maximise media impact, it is essential that the NFNL builds and maintains relationships with local, state and national media agencies.

This Media Policy provides a framework for interaction with the media. It is supported by the Northern Football Netball League's Media Procedures and should be read in conjunction with that document.

**2. POLICY SCOPE**

This policy applies to all forms of verbal and written correspondence to the media including: off the record comments, anonymous comments, public speaking engagements and media releases.

**3. POLICY INTENT**

This policy provides a framework for comments, statements, and media releases by the Northern Football Netball League and the participating Clubs of the Northern Football Netball League, that have the potential to reach the larger community via the media outlets.

The Chief Executive Officer of the Northern Football Netball League is the nominated authorised person to speak to media outlets on behalf of the Northern Football Netball League. The Northern Football Netball League Board may authorise other persons from time to time to speak to media outlets on behalf of the Northern Football Netball League.

Northern Football Netball League stakeholders are actively encouraged to liaise with media outlets to promote their achievements be it a club, player, official, volunteer, or umpire related matter. In doing so, it is imperative to maintain an appropriate spirit and tone to the communication. The Northern Football Netball League is to be advised of any such dealings and where possible, provided with a copy of the intended release.

**4. MEDIA ENQUIRIES**

Anytime the media makes enquires to stakeholders or the Northern Football Netball League about matters which may have a negative impact on the Northern Football Netball League operations, those enquires are to be directed to the League's Chief Executive Officer. As the Northern Football Netball League's nominated spokesperson, the Chief Executive Officer will respond directly or designate another party to serve as spokesperson for such requests. If the Chief Executive Officer is not available, enquires should be referred to the NFNL Board Chairman.

**5. ESSENTIAL SUPPORTING DOCUMENTS**

Any comments or statements made to the media, either written or verbal, should be done in the context of the Northern Football Netball League's Rules, By-Laws and Schedules. These include:

- i. Rule 27 of the NFNL By-Laws – Unauthorised Media Statements;
- ii. Schedule 17 – Northern Football Netball League Codes of Conduct.
