

GUIDELINES FOR CLUBS AND ASSOCIATIONS

USE OF OUTDOOR AND INDOOR VENUES IS PERMITTED

MAINTAIN 1.5 METRE PHYSICAL DISTANCING

CONTACT TRAINING AND COMPETITION FOR PEOPLE 18 YEARS AND UNDER

IF YOU FEEL UNWELL, DO NOT ATTEND

NON-CONTACT TRAINING FOR ADULTS

WASH YOUR HANDS

GROUP LIMITS

Maximum of **20 people** in each space, plus coach and essential support personnel.

- A netball court is considered a 'space'.
- Where the facility has multiple courts, more than one group can be accommodated.
- Where multiple courts are in use, each group must remain in their designated 'space'.
- Groups must not cross over or mingle.

There is no limit on the number of people per group if all participants are 18 years and under.

Gathering limits do not apply to participants and those reasonably required to manage the activity.

SPECTATORS

Only people required to support the participants are permitted (maximum one parent/guardian per child).

Parents/guardians are required to maintain a 1.5 metre physical distance from each other.

Parents/guardians should not gather in groups of more than 10.

ACTIVITY AND EQUIPMENT

Full contact training and full competition can resume for people 18 years and under.

Non-contact training can resume for adults, and they must maintain a 1.5 metre physical distance.

Ensure all participants are registered Netball Victoria members.

Participation is optional and at the individual's discretion.

Minimise the use of shared equipment.

All equipment should be cleaned and sanitised between each session.

Coaches, umpires and officials should maintain a 1.5 metre physical distance.

Each group should provide their own first aid kit, with a sufficient supply of gloves and sanitizer.

Change rooms and showers can open for up to 20 people per space, subject to the one person per four square metre rule.

It is recommended that change rooms are only open for use by participants.

Club rooms can have up to 20 people per space, subject to the one person per four square metre rule.

Canteens and cafés may open with take-away and limited dine-in arrangements, to a maximum of 20 people per space, and subject to the one person per four square metre rule.

VENUE MANAGEMENT

Contact your Local Council or your facility manager to confirm access, classification and other specific venue arrangements.

Complete or update Netball Victoria's [Return to Community Netball Checklist](#) in order to safely prepare your netball environment.

Collect and maintain a [record of attendees](#) including first name, phone number, and date and time of each session.

A record of attendance must also be kept for each non-participant entering the venue.

Develop a plan to manage the arrival and departure of people to ensure they can maintain a 1.5 metre physical distance.

Clearly mark entry and exit points throughout the venue, and stagger session times where possible.

Provide hand sanitiser dispensers at entry and exit points.

Develop a plan to manage the movement of participants through communal and shared areas, and ensure they can maintain a 1.5 metre physical distance.

Regularly clean change rooms, showers, toilets and other communal areas with disinfectant, and maintain a cleaning log.

Regularly clean and disinfect frequently used surfaces, such as benchtops and doorknobs.

Develop a cash-free mechanism and procedures. If that's not possible, adopt a plan to minimise and manage cash handling.

Canteens and cafés may open with take-away and limited dine-in arrangements, permitting a maximum of 20 people per space, and subject to the one person per four square metre rule.

Canteens and cafés must adhere to the *Hospitality Industry Guidelines* (available at www.business.vic.gov.au).

HEALTH AND HYGIENE

Promote regular and thorough hand washing by all participants, staff and volunteers.

Do not gather in groups of more than 10 and maintain a 1.5 metre physical distance when not participating in an activity.

Anyone who is unwell should not attend and should be referred to a doctor.

Anyone experiencing COVID-19 symptoms should get tested, and remain at home until they receive their test results.

Encourage your members to download the CovidSafe App.

Display relevant, up to date COVID-19 health and hygiene posters around your venue.

Community netball participants should not return to netball if in the last 14 days they have been unwell or had close contact with a known or suspected case of COVID-19.

Refer to the [Department of Health and Human Services processes](#) upon confirmation of a positive COVID-19 case.
