COMPETITION FOR PEOPLE
18 YEARS AND UNDER

NON-CONTACT TRAINING
FOR ADULTS

MAINTAIN 1.5 METRE
PHYSICAL DISTANCING

IF YOU FEEL UNWELL,
DO NOT ATTEND

WASH
YOUR
HANDS

GROUP LIMITS - INDOOR VENUES

Maximum of **20 people** in each space, plus coach and essential support personnel.

- An indoor netball court is considered a 'space'.
- Where the facility has multiple courts, more than one group of 20 can be accommodated.
- Where multiple courts are in use, each group must remain within their designated 'space'.
- Groups must not cross over or mingle.

There is no limit on the number of people per group if all participants are 18 years and under.

Gathering limits do not apply to participants and those reasonably required to facilitate the activity.

SPECTATORS

No spectators permitted at indoor venues.

Only people required to support the participants are permitted (maximum one parent/guardian per child).

Parents/guardians are required to maintain a 1.5 metre physical distance from each other.

Parents/guardians should not gather in groups of more than 10.

ACTIVITY AND EQUIPMENT

Full contact training and full competition can resume for people 18 years and under.

Non-contact training is permitted for adults, and they must maintain a 1.5 metre physical distance.

Ensure all participants are registered Netball Victoria members.

Participation is optional and at the individual's discretion.

Minimise the use of shared equipment.

All equipment should be cleaned and sanitised between each session.

Coaches, umpires and officials should maintain a 1.5 metre physical distance.

Each group should provide their own first aid kit with sufficient supply of gloves and sanitizer.

Change rooms and showers can open for up to 20 people per space, subject to the one person per four square metre rule.

It is recommended that change rooms are only open for use by participants.

Club rooms can have up to 20 people per space, subject to the one person per four square metre rule.

Canteens and cafés may open with take-away and limited dine-in arrangements, with a maximum of 20 people per space, subject to the one person per four square metre rule.

Canteens and cafés must adhere to the *Hospitality Industry Guidelines* (available at www.business.vic.gov.au).

VENUE MANAGEMENT

Contact your Local Council or your facility manager to confirm access, classification and other specific venue arrangements.

Complete or update the Netball Victoria's [Return to Community Netball Checklist](#) in order to safely prepare the netball environment.

Collect and maintain a [record of attendees](#) including first name, phone number, and date and time of each session.

A record of attendance must also be kept for each non-participant entering the venue.

Develop a plan to manage the arrival and departure of people to ensure they can maintain an appropriate physical distance.

Clearly mark entry and exit points throughout the venue and stagger session times where possible.

Provide hand sanitiser dispensers at entry and exit points.

Develop a plan to manage the movement of participants through communal and shared areas, ensuring they can maintain physical distancing.

Regularly clean change rooms, toilets, showers and other communal areas with disinfectant and maintain a cleaning log.

Regularly clean and disinfect frequently used surfaces, such as benchtops and doorknobs.

Develop a cash-free mechanism and procedures. If that's not possible, adopt a plan to minimise and manage cash handling.

HEALTH AND HYGIENE

Promote regular and thorough hand washing by all participants, staff and volunteers.

Do not gather in groups of more than 10 and maintain 1.5 metre physical distancing when not participating in an on-court activity.

Anyone who is unwell should not attend and should be referred to a doctor.

Anyone experiencing COVID-19 symptoms - however mild - should get tested, and stay home until their test results are received.

Encourage your members to download the CovidSafe App.

Display relevant, up to date COVID-19 health and hygiene posters around your venue.

Community netball participants should not return to netball if in the last 14-days they have been unwell or had close contact with a known or suspected case of COVID-19.

Refer to the [Department of Health and Human Services processes](#) upon confirmation of a positive COVID-19 case.
