

How to enrol in Worksafe Umpires in the Field Workshops:

1. Log in to MyNetball

2. Ensure that your contact details are up to date, and select LEARNING → Online Learning

3. Next, select the blue box “Browse Available Courses”

The screenshot displays the mynetball user interface. At the top left is the netball logo, and next to it is the mynetball logo with the text "powered by interact@netball". On the top right, the user's name "Hopper, Meg" and the organization "Netball Australia" are displayed. Below the header is a navigation bar with orange tabs for "My Details", "Affiliations", "Activity", "Club", and "Learning", along with a "Log out" button. Under the "Learning" tab, the heading "My Learning" is visible. A green notification box contains the text: "Please note: Learning activity is updated daily, so be aware that some details may be out of date by several hours." Below this notification is a blue button labeled "Browse Available Courses", which is circled in red.

4. This will take you to the Full Catalogue. Use the search bar and search for “Umpires in the Field”

The screenshot shows the Netball Australia website interface. At the top, there is an orange navigation bar with the Netball Australia logo on the left, a search bar in the center, and a user profile for 'Meg Hopper' on the right. Below the navigation bar, there are several menu items: 'My Learning', 'Browse Learning' (which is highlighted), 'My Learning Transcript', 'My Accreditation Updating', and 'Return to MyNetball'. The main content area is titled 'Full catalogue' and shows '1 - 10 of 130 items'. A search bar is circled in red and contains the text 'Umpires in the Field'. Below the search bar, there are two course listings for the '2013 Biennial Game Development Conference' and '2015 Biennial Game Development Conference'. Each listing includes a description, a status of 'Not Enrolled', 'No sessions planned', '8 Hours', and tags for 'Netball', 'Netball Access', and 'Netball Australia'.

5. You will then be able to select the relevant workshop you are wanting to enrol in

▼ Overview

The purpose of the Worksafe Umpires in the Field Program is to support the existing National Umpire Accreditation Framework by delivering two hour educational workshops designed for umpires at the grassroots level, as well as workshops that are aimed specifically for umpires who would like to work towards a higher accreditation. Workshops are delivered by Netball Victoria's most experienced Umpire Developers.

Your Decision Counts: this workshop looks at the decisions umpires have to make in relation to the 3 Majors – Advantage, Contact and Obstruction. It is aimed at C Badge umpires working towards a B Badge Accreditation and B Badge Umpires.
